

Canada Hall, located next to All Saints Church, was built in 1943 by some of the Royal Canadian Engineers, and field Ambulance unit, who were positioned here during the War, hence the name.

The Hall is approximately 20ft wide, by 47ft long, and offers a great space for fitness classes, family gatherings, and children's birthday parties.

There are 60 chairs and seven 6ft trestle tables to use in the hall when hiring. Please look online for further information and to hire the hall.
